

Dear Second District Club Presidents,

Please be advised that the annual scholarship fund raising campaign of the FGCNYS Second District has now started. Scholarships are awarded to deserving students attending Farmingdale College. An eligible individual will be one who is continuing his/her education in an area relative to horticulture and Federated Garden Clubs objectives.

Through your generosity, last year's contributions enabled one very grateful and qualified student to receive this scholarship. With your help, we will be able to continue this fine endeavor of horticultural education assistance.

We sincerely thank our member clubs for past donations since the inception of this scholarship program in 1964. We trust you will continue this worthy tradition of encouraging and assisting deserving students through your financial support.

Kindly send your contribution for the Second District Scholarship Fund by **March 15, 2025** so we may present a scholarship at our annual meeting and luncheon.

Make checks payable to:
